PERSONALIZE YOUR LEAD RETRIEVAL UNIT

Each lead retrieval unit will come with its own personal scan sheet. The scan sheet provides a fast and efficient way of qualifying your prospective leads and allows you to spend more time interacting with the prospect. The scan sheet allows you to personalize your leads with products / services, follow up actions. Please fill out the information below (using a maximum of 25 characters per line) and upon picking up your unit at the lead retrieval desk you will be given your custom scan sheet. Once you are on the tradeshow floor, all you need to do is scan an attendee badge and follow up by scanning lead actions you want associated with each lead.
