

The screenshot displays a Windows desktop environment. In the background, a web browser window is open to a forum page on cnet.fr. The browser's address bar shows the URL: <https://forums.cnetfrance.fr/topic/1431893-trojans-detectes/?p=3830743>. The forum page features a search bar, a list of forum items, and a 'Note : Tu as deux rapports' section. A 'SPY COP' logo is visible in the bottom left of the forum content.

Overlaid on the browser is a file explorer window titled 'Sans titre - Bloc-notes'. The file explorer shows a search bar and buttons for 'Analyser', 'Chercher Fichiers', and 'Chercher'. Below the search bar, there are checkboxes for 'Proc', 'Analyse fa', 'Liste', and 'Fich'. A search field contains the text 'Chercher:'. Below the search field, there are buttons for 'Analyser', 'Chercher Fichiers', and 'Chercher'. The file explorer also displays a list of files and folders.

In the foreground, a Notepad error dialog box is open. The dialog box has a yellow warning icon and contains the following text: 'Impossible de trouver le fichier C:\Users\valer\Desktop\Addition.txt. Voulez-vous créer un nouveau fichier?'. The dialog box has three buttons: 'Oui', 'Non', and 'Annuler'.

The Windows taskbar is visible at the bottom of the screen, showing the Start button, a search bar with the text 'Taper ici pour rechercher', and several application icons. The system tray in the bottom right corner shows the date and time: '11:45 18/03/2019'.
