**12 EXCLUSIVE REASONS WHY TO OWN A GITZO TRIPOD**

- TOP PRECISION**  
Hand assembled, literally custom built to your order, to the most demanding European precision standards, with stressproof, hardtempered lightmetals as used in airplanes.
- OPTIMAL ROCK STABILITY**  
Ingenious design with strong tubular legs firmly positioned against rigid center part, for optimal rock stability without any crutchlike braces or spiders.
- EASY, FOOLPROOF HANDLING**  
Deeply anodized (1/10mm), corrosion and rustproof leg extensions and center columns glide smoothly, lock tightly on water and temperature-proof sleeves (no metal on metal), with soft cushioned locking rings, for easy, rapid, foolproof handling, with no binding or slipping—ever.
- MULTIPLE CHOICE**  
More than 100 tripods, short or long for portability or height, with Rapid reversible sliding column or Cremaillere gearlift column for fine adjustment, thin or fat legs for any light-weight, medium weight, heavy, or extra heavy video, cine or photo cameras, telescopes and other equipment.
- PERFORMANCE TRIPODS**  
The ultimate in tripod design with individual leg spreading, 2 section column or short 5" column, for extra high (120" +), low (0"), any special positions, including ultra close-ups.
- INTERCHANGEABLE HEADS, LEVELLING BALLS**  
More than 40 pan tilt, fluid and counterbalanced heads for video and photo, with up to 90° tilts, 360° panning, plus 12 levelling balls, with strong soft touch handles or grips, for tight locking, smooth moving in any position, without jerking.
- COMPLETE SYSTEM**  
More than 20 monopods, multipod, ladderpods, mono columns, microphone fishpoles/light booms, dollies, attachments, carrying cases, projection stands and platforms, lightstands, plus more than 200 other accessories.
- PERSONAL SELECTION**  
You will find exactly the right tripod, monopod, head and accessories, for any person, any camera, any position, any working conditions, literally custom modeled for you.
- UNSOLICITED PUBLICITY**  
By professionals, magazines, schools, lecturers, amateurs, cameramakers, repairmen, dealers, competitors, 100,000's of happy GITZO users in more than 70 countries around the world ... PLUS 1 = YOU? TRY IT NOW!
- ECONOMICAL ALL METAL CONSTRUCTION**  
Uncompromisingly solid, virtually indestructible precision engineered design—the result of 65 years of expert development—withstands the most rugged use, for lifelong durability.
- EASY, MINIMAL SERVICE**  
Construction unit system of rolled threads, solid steel bolts, nuts and screws permits easy detaching, cleaning and replacing of any part by user, with no breakable cheap metals or plastic substitutes, no unrepairable pop-riveting, no collapsing, no falling apart—ever. The service quota is incredibly low: less than 1% — with 24 hour, same day, or "while you wait" service.
- SCRUPULOUS QUALITY CONTROLS, FULL LIFETIME WARRANTY**  
Each tripod passes the most severe quality controls to meet the most rigid European precision standards, with minimal maintenance, plus eternal serviceability, availability of parts. AND YOU ARE COVERED BY THE FULL GITZO WARRANTY BUYER PROTECTION FOR LIFE—PLUS REINCARNATIONS.
