Task 2: Put the words between parentheses in the right tense / form

Through ages, entertainment has changed as much as the human race. Many years ago, people (**spend**).....their free time watching natural beauty, birds , mountains and trees. Today, many of them, especially teenagers, are interested in (**see**) movies ,and serials, listening to songs, reading comics, playing games etc. Recently, a survey (**find**)..... that girls spend maximum of their time in gossiping and chatting. Many of them collect pictures of (**they**) favourite stars whereas other teen boys love to go for (**adventure**)..... camps or tours with friends or take part in sports (**compete**)

Task3: Circle the alternatives that best complete the following paragraph

Although I have many film DVDs at home, I still prefer watching films at cinemas. One of the biggest factors that make me feel like watching films at cinemas is the bigger (**screen / cream / scream**) and realer sound I enjoy there. I have a TV that can (**to play / played / play**) my DVDs but I do not have enough money to buy a modern and fashioned system of projector and loudspeakers (**who / which / whose**) is sold with an extremely high price at stores. A second factor that makes me attracted (**to / for / at**) cinemas is that I may take this as an opportunity to get out of the confine of my house. After an (**exhausting / exhausted / exhaust**) week with a lot of stress, time for resting is really invaluable for me. (**That's why / Because / While**) watching films in cinemas is preferred to watching them at home.
