

Flat Earth

The earth is still. It doesn't move. The surface of the Earth is flat. There is a dome over us called the Firmament. The sun, moon and stars are under the Firmament dome. The sun and moon are much smaller and closer than we are told. The sun and moon move in their own patterns over the surface of Earth. There are no planet just stars in the sky. There is no space. We cannot exit the dome. It's all right here folks! There is no chaotic universe that created itself. We have a creator and we have purpose!

Our eyes and tears tell us the Earth is flat and enclose a real system and motionless, everything in the sky revolves around us inside the firmament but when we cease to believe our own eyes and experience, we have to prostrate ourselves at the feet of the very pseudo scientists who are blinding us, treat them as experts, astronomical priests, who have special knowledge only they can access like the Hubble telescope.

So by brainwashing us of something so gigantic and fundamental it actually makes every other kind of lesser indoctrination a piece of cake. Earth being the flat earth center of the universe, of which everything else and the heaven revolve, gives special importance and significance not only to Earth but to us men, the most intelligent of the designers design.

By turning Earth into a spinning ball, thrown around the sun, shot into infinite space from a Godless big bang, they turned humanity into a random meaningless, purposeless accident of a blind dumb universe. So it's like trauma based mind control... So this modern atheistic, big bang, heliocentric globe Earth, chance evolution, paradigm spiritually controls humanity by removing GOD from the mind and replaces purposeful divine creation with haphazard random cosmic coincidence.

And so by removing Earth from the motionless center of the universe these Masons have moved us physically and metaphysically from a place of supreme importance to one of complete nihilistic indifference.

If the Earth is the center of the universe then the ideas of GOD creation and a purpose for human existence are resplendent, but if the Earth is just one of billions planets revolving around billions of stars and billions of galaxies then the ideas of GOD creations and specific purpose for Earth and human existence become highly implausible.

By surreptitiously indoctrinating us into their scientific materialist sun worship, not only do we lose faith beyond the material, we gain absolute faith in materiality, superficiality, social status, selfishness, hedonism and consumerism. If there is no GOD and everyone is just an accident, then all that matters is me, me, me... Their rich powerful corporations with their slick sun cult logos sell us idols to worship, slowly taking over the world, while we tacitly believe their science, vote for their politicians, buy their products, listen to their music, watch their movies, all sacrificing our souls to the altar of materialism.

People have been conditioned to have a visceral reaction to any evidence that contradicts the heliocentric model. Such rejection of hard evidence, without fair hearing, brings folly and shame « He that answereth a matter before he heareth it, it is folly and shame unto him » (Proverb 18:13). This folly and shame are manifested in devilish philosophies that permeate society. The deception of a spherical spinning Earth is the foundation for Darwinian evolution, Freudian psychoanalysis and Marxism communism. Indeed the progressive emergence of the sodomite subculture into a government protected privileged class is the direct result of prevailing theory of heliocentrism (the sun at the center of a solar system). How so you ask? It is quite simple. To remove Earth as the center of GOD's creation, and accept in its place an Earth that is just one of millions of wandering

planets in the universe, remove man as GOD's unique creation, made in his image. Once the centrality of the Earth in GOD's creation is removed, it is only a small half-step further to remove the existence of GOD himself from the mind of men.

Once GOD is removed from man's consciousness, then also is removed the authority of GOD's word and his law. Man is then enthroned, being a law unto himself. The common thread running through heliocentricity evolution, psychology and communism is that there is no GOD. Indeed atheism is logically a necessary element for each of those man made philosophies to stand.

It is not that the truth is not known, it is that the truth has been hidden from the masses in order to control population, and keep them away from GOD. Flat Earth is the death of; the heliocentric solar system, gravity, evolution, dinosaurs, multiple galaxies, alien species, science falsely so-called, space travel and everything associated with it (Freemason, NASA, astronomical societies, Jesuit university, space/astronomy programs, ect...)

It's a big deception!
