They ate, played Games.
One of them was Truth or Dare!

Courage.

The Task was: „We are going in the Forest and going to

I have a big House and i am rich i dont need that Night out

there is not ruining your Reputation-", Anna said, and after
that emily agreed and they went to the Forest of Fog.

They packed they Things what they thaught they would
need, and went downstairs to the Door.

Now they're Outside and it was very cold and dark..
Lucky they have a Jacket and Flashlights.
After 30 Minutes they found the Forest and walked in.
„so we're in now..", „ i guess so", „Wow this is incredible!"
emily,anna and mary said.
„What ever we have to find a pl- " all of the Flashlights
they brought just flicker and the girls were scared..
„H-How about we just leave already??",emily said , but as
soon as they turned around, a Fog came in! A Fog that made
it impossible to even see the Ground!
The girs were scared exept Mary..
Mary was just fascinated everything would be so perfect
and she doesn't seem really scared ..
but after a long Time they found a Place to sleep.
They wanted to sleep so the Night would go fast but..
the Noises..
They kept the Girls awake..and after an Hour they could
finally sleep.

It was the next Day and The Girls woke up in the
beautyfullest Forest they ever seen.
Everything was so green and it felt magical but they forgot
that they're still in the Forest of Fog..

„Today we're going out of this!"every Girl said.
They tried to get out of there but after Hours and Hours
they're still getting to the same Place everytime..

This was now 2 Months ago..

The Parents were very scared because they couldn't find them...They got declared as missing.

They had to eat Mushrooms and Berries, so they don't die

The Girls tried to get back every Night and every Morning but they are slowly giving up...

But what is that?

A Sound coming from over their-

A Creature a Bear?

It was a Parkranger! He couldn't believe his Eyes..

He got the Girls out of the Forest and contacted the Police station.

After they were there they saw their Parents but first they had to tell the Police Officer, what clearly happened.

„Fog!so much Fog even if we tried to get back we got back at the same Place everytime! Its like.. the Forest didn't wanted to let us go Home.."

It turned out that the Forest was cursed and everyone who came in evening never comes out again ..

The Girls promised they'll never do this again, and the Forest got fenced in with a 30 Meter high fence.

The Girls promised they'll never do this again.
