## BORDEAUX SUPÉRIEUR – 33141 VILLEGOUGE

Organic and biodynamic wine

Between earth and sky, the vine offers us the best of itself. We support it in its evolution, respecting its cycles and the variation of nature. We respect it by vinifying in a natural way, letting the indigenous yeasts ensure the alchemical expression of the terroir.

Patrick Dussert (Guide Dussert-Gerber 2020)  
The 2016 is full body, with a rich nose dominated by ripe black berries. A wine with silky tannins and an excellent potential of evolution
