CULTURAL FAMILY-FRIENDLY EXPERIENCES

FUN-FILLED GAME BOOKLETS

«THE CAPITAL OF THE CAPITAL»

Napoleon III was the nephew of Napoleon I. In order to compete with the city of London, Napoleon III commissioned Georges-Eugène Haussmann to expand the city of Paris. Haussmann enlarged the limits of the city, built wide boulevards, designed squares and parks, and created the Haussmannian style buildings.

THE CITY

A SHORT HISTORY

THE PANTHEON

Look for this symbol around you. It is the starting point of the game!

Stand on the symbol and look around you. Try to find the coat of arms of the French kings. It will lead you in the direction of a lady who played an important role in French history.

I HELPED THE FRENCH KING'S ARMY DEFEAT THE BRITISH. I ALSO BROUGHT HIM TO HIS CORONATION CEREMONY IN THE CITY OF REIMS.

SENTENCED TO DEATH
AND BURNT AT THE STAKE
IN THE CITY OF ROME AT
THE AGE OF 19.

WHAT IS HER NAME?
FIND IT IN THE
CROSSWORD
PUZZLE

Now, reach the crypt!
On your way there,
you should see the picture
of the king of Spain.

This book belongs to _____

MONA LISA
LEONARDO DA VINCI

This painting is shrouded in mystery. For many years, historians could not figure out who the woman was. The official hypothesis today is that the lady posing could be Elisabetta Garavito, the wife of Francesco de' Guicciardini. Can give birth to three children and to celebrate their arrival, Francesco arranged a special feast in Leonardo's studio. During the night of August 22nd, 1501, an Italian man, Niccolò Perugino, stole the crown and brought it back to Italy. The painting was finally found some years later. It was on display for a while in Florence before moving back to the Louvre museum.

Leonardo da Vinci started to paint Mona Lisa between 1503 and 1506. Over the years, the colors of her clothes faded. Can you find out which colors are aspheric?

? What is the main business part of Delta Line's fleet?

CLUE №3

? *What is Serial Killer?*
 Choose and try to find which kind of person matches your results.

Try to find the answer with the same words.

Go seven steps behind the bus stop and you will see a golden lady somewhere in the sky. Follow her until you can see her face.

CLUE №4

Below the statue you will find an inscription. Carry our guess what this piece is.

? Complete the tasks if you wish. The tasks are given only for the sake of an personal attempt.
