Open to work opportunities in Canada, USA and France

hcustodio.pro@gmail.com

+33 7 56 92 99 15

Le Pecq, France

EXPERIENCES

Junior UX/UI Designer

Yakota, Place Vendôme

Oct 2019 - September 2021 - 2 years, Paris

Prototype, design and deliver the UI and UX experience with a lean design process: research, design, test, and iterate. I also worked as a graphic designer for missions with Veepee and ShowroomPrive. I worked on the branding of the different brands of the group and their graphic identities.

Freelance UX UI Designer & Graphic designer

Freelance

Aug 2018 - Today - 3 years, Paris

I help and advise companies and content creators in order to help them develop their business, their websites and their brand image.

Project Manager

Volunteering

Aug 2016 - jan 2018 - 2 year, Paris

To develop my skills and for passion, I led community game servers with more than 3000 members and social networks of french creators with several thousand followers.
