ABOUT US

White Eden Weddings is a full service wedding planning agency based in Cannes, on the French Riviera. We provide bespoke services for international couples looking for a beautiful and tailor-made luxury destination wedding experience in the South of France.

To us, every couple is unique, hence every planning should be made to measure. In order to offer the most personalized service to our couples, we have developed a network of trustworthy and high-standard vendors, and together we plan the perfect beginning to your forever.

Behind White Eden Weddings are Geoffrey & Mylene, husband & wife team, passionate by beautiful & refined events and personalized relationships but also an ultra efficient team of coordinators. After working for luxury brands - from Chaumet to Rolex to Fendi - in Paris, New-York and Moscow, we decided to follow our hearts and plan events that drive us: weddings.

WEDDING PLANNING

“Full planning services” means a different thing to everyone. Our definition opens the doors of an unlimited tailor-made experience.

From the venue hunt to the production, execution of the design and guests management, we and our team are here to accompany you and your guests on a journey dedicated to details, atmosphere & perfection.

1 VENUE FIND

Specializing on the French Riviera & in Provence, we work with more than 200 venues. We create a bespoke and adapted selection based on your expectations (style, location, aesthetics, accomodation, accessibility, etc.) and invite you for a tour of beautiful visits.

2 CONCEPT

Most of the weddings we plan take place over several days. Knowing the wedding day venue permits to define the general concept and experience for each moment of the celebrations, including the extra events. Our leitmotiv is to teammate to propose and build a full, unique and consistent experience that will become a memorable wedding celebration.

3 DESIGN & STYLING

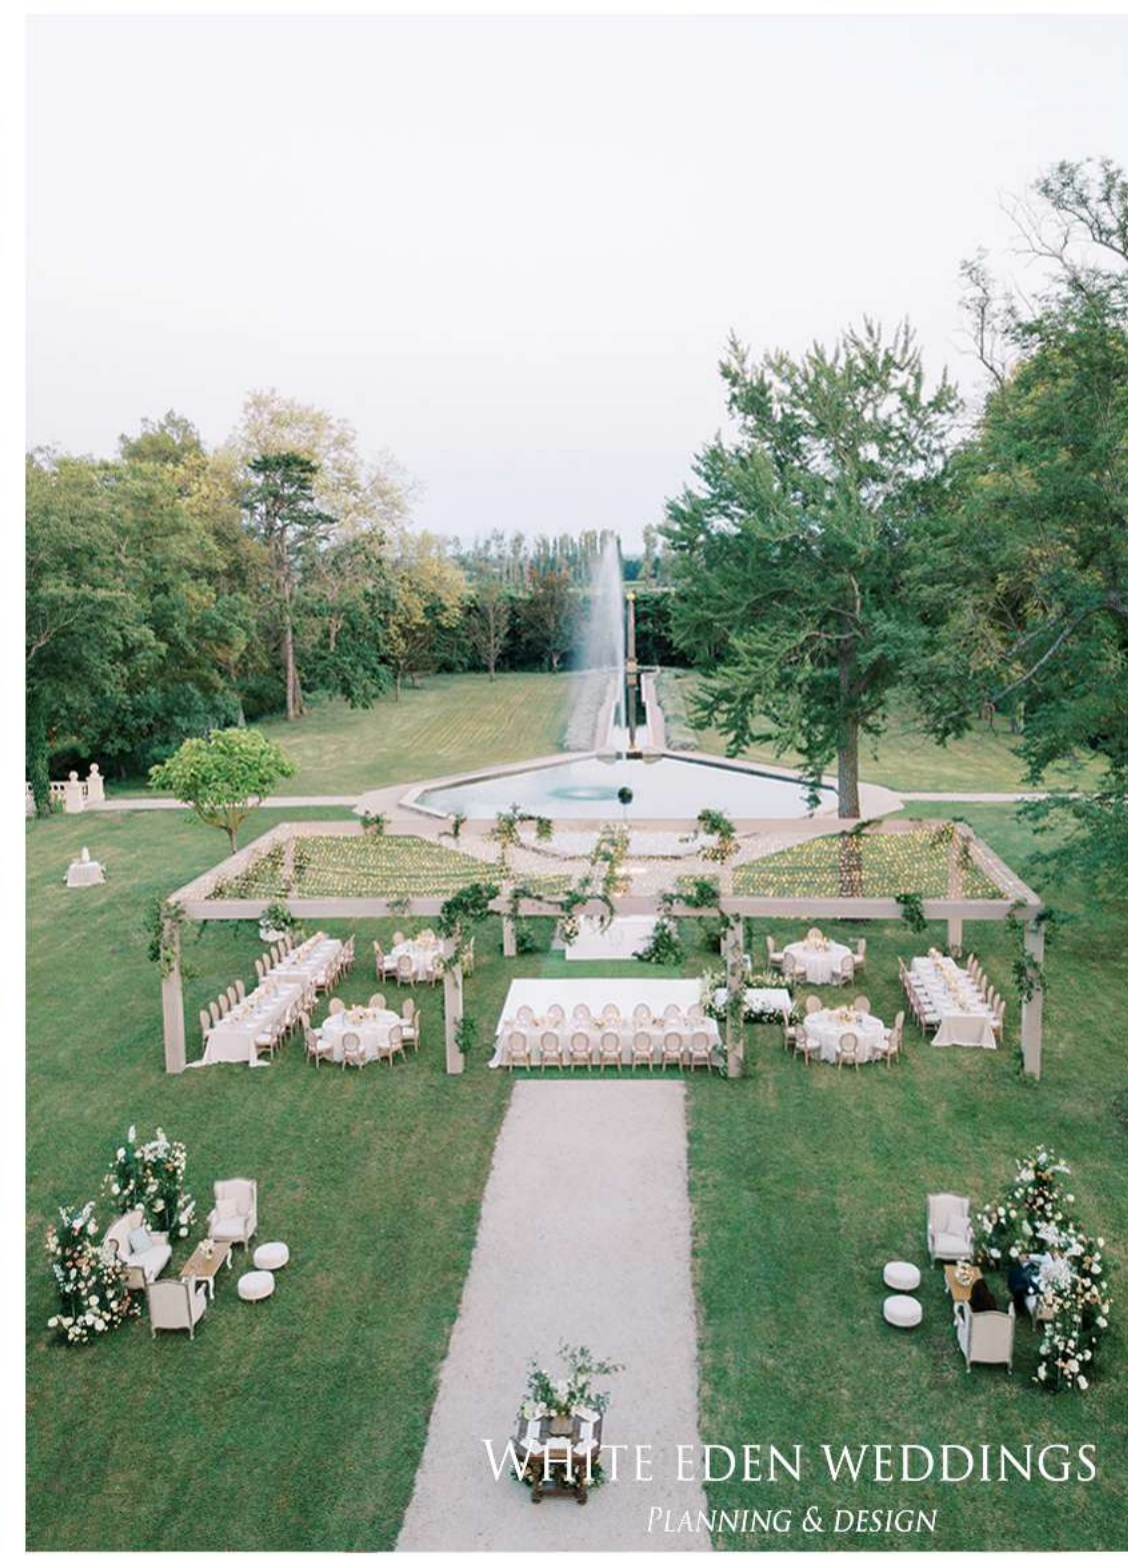

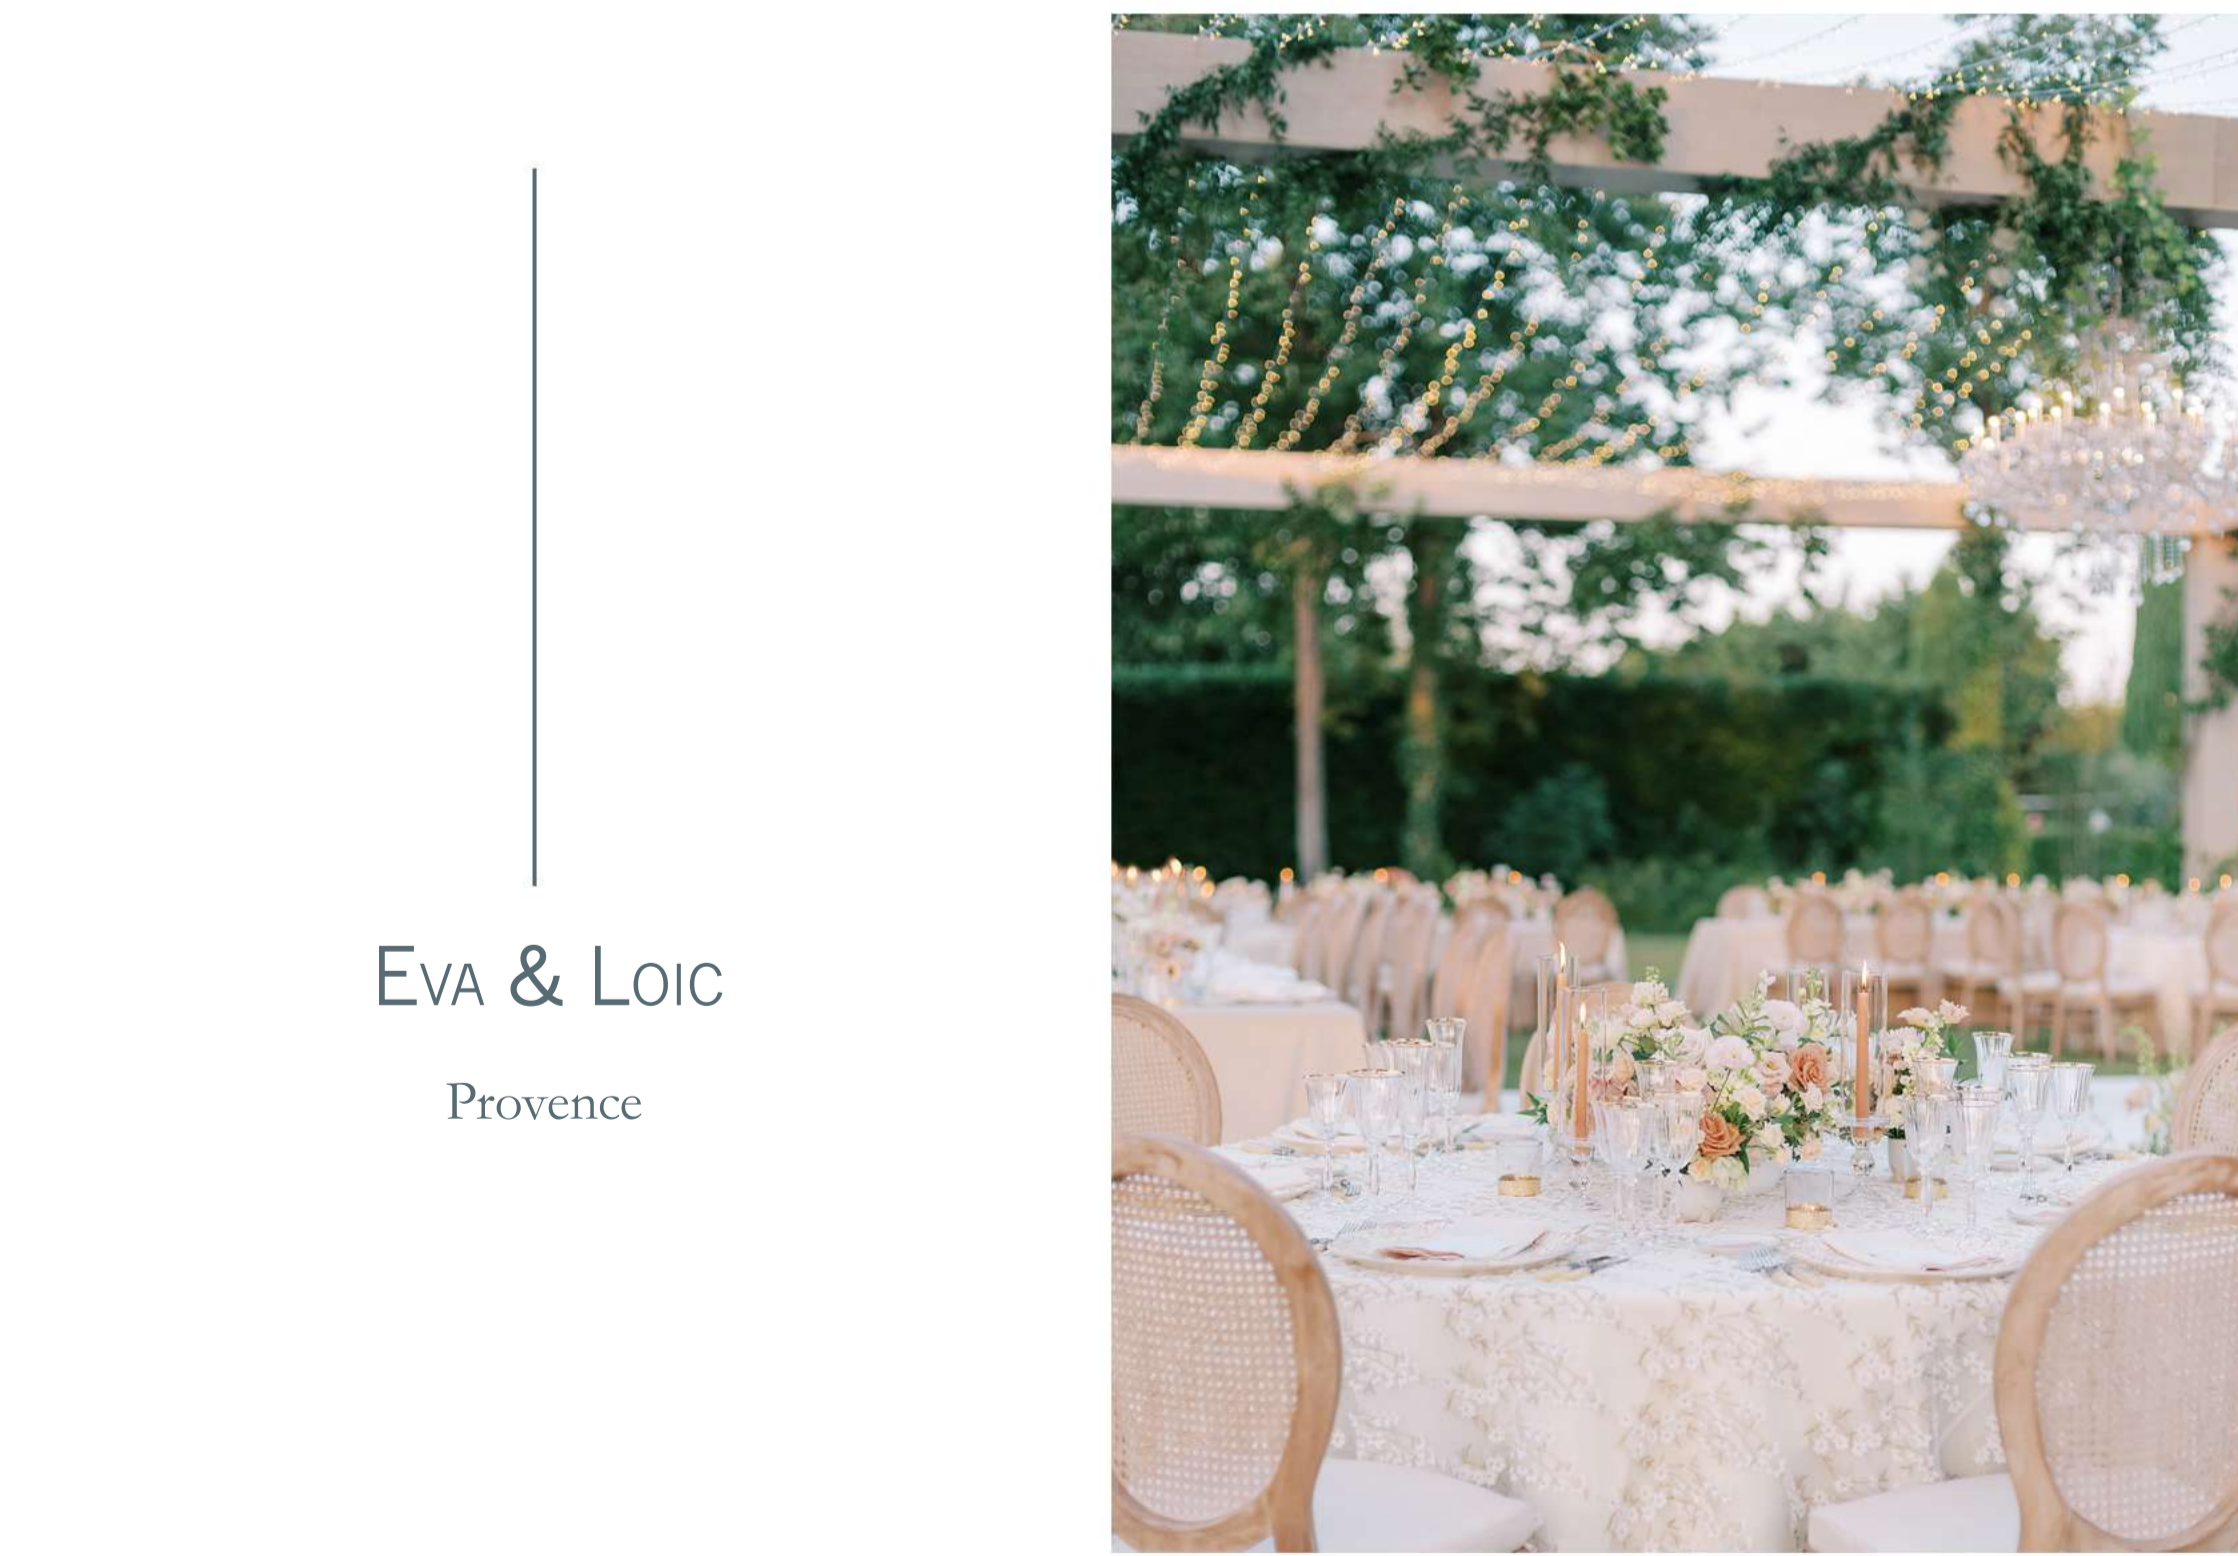

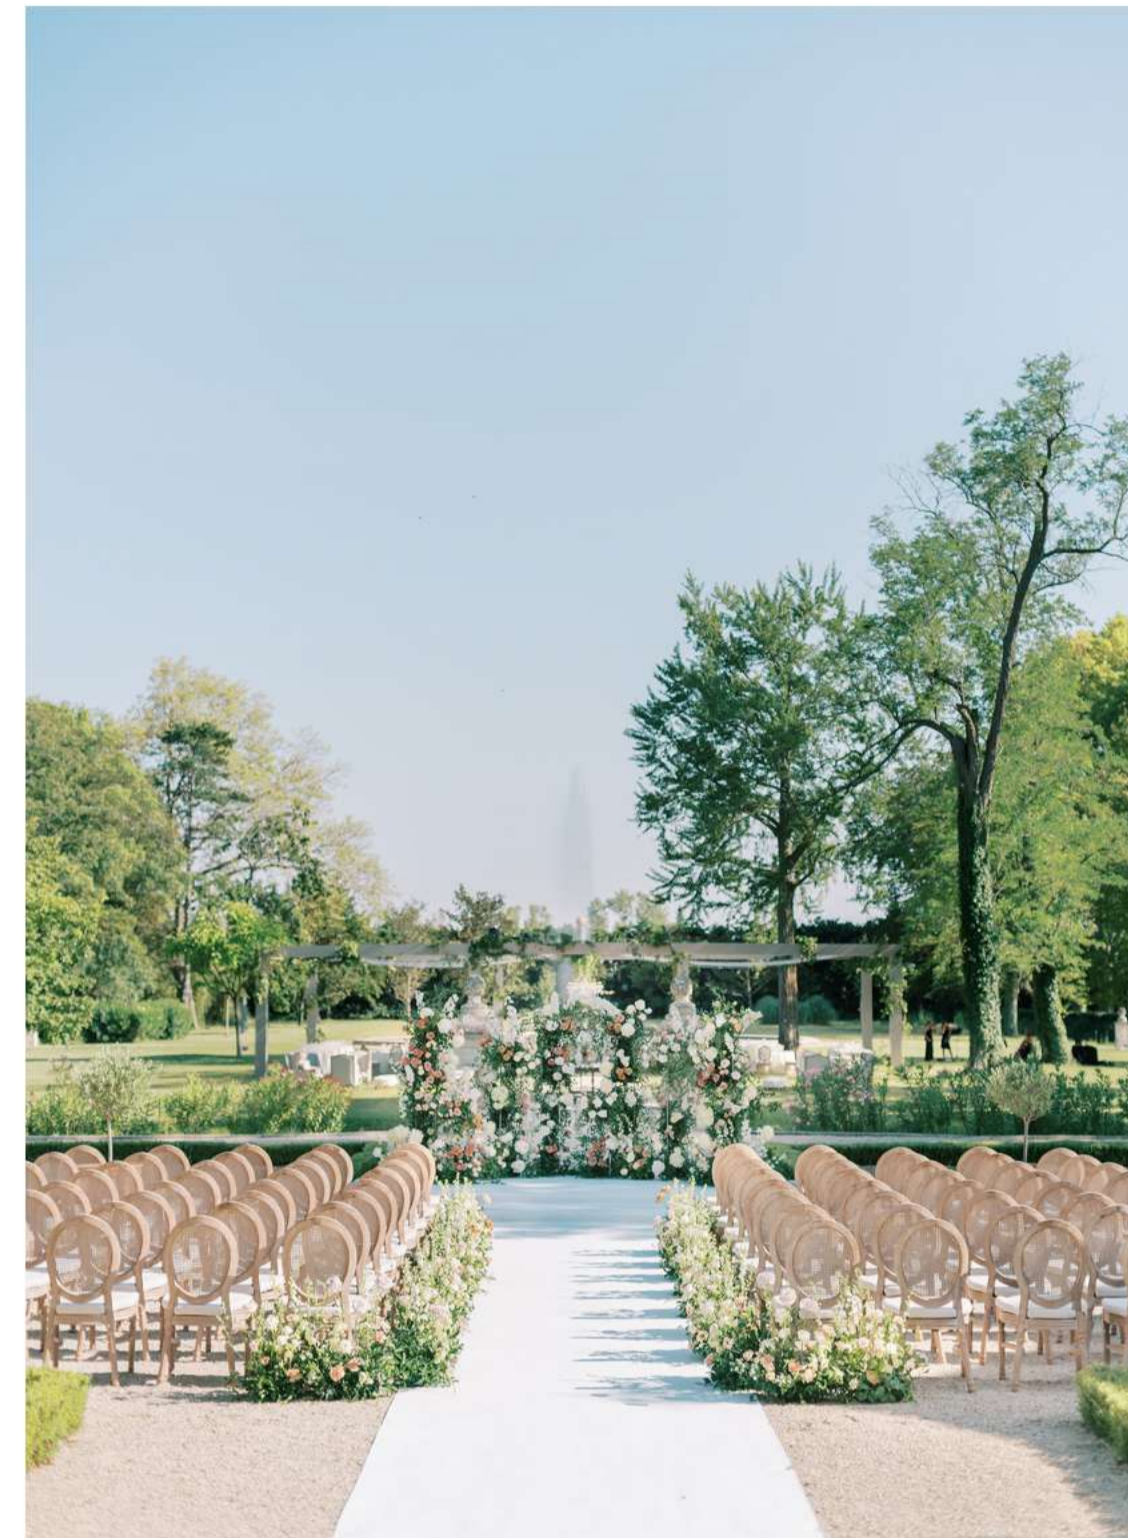

Whether you already have a clear idea of what you envision or have no clue, you can trust our expertise & creativity to work on a bespoke styling, emphasizing your love story and embracing your personalities. From moodboards, to sketches & 3D mockups, we bring your expectations to life, and design an elegant, comfortable & seamless visual experience that will offer lifetime memories.

4 FULL SERVICE PLANNING

By voluntarily planning a limited number of weddings per season, we deeply commit to offering the most complete & global support to our couples. Through the entire planning, we carefully assist you with guidance, vendors' search & recommendations, budget & schedule management, contracts' proofread and translations, technical meetings and visits, and guests/accommodation management.

5 COORDINATION

As the apogee of several months of organization, your wedding celebration must be a seamless and smooth experience. We and our experienced team of assistant coordinators are on site managing the entire team of creative partners and make sure that not a single detail is missing. A Bridal assistant can be appointed upon the bride's request.
