

A PLATFORM, A MEETING, AN EXPERT, SOME POLICIES AND THEN YOU'RE SAILING

FROM THE FIRST MEETING...

We set up a 1h kick-off meeting to discuss your company's motivations and any work you might already done in relation to EcoVadis.

TO THE APIDAY PLATFORM

On the Apiday platform, you'll find a list of documents to share. Upload as many as you can find and we'll pre-fill your EcoVadis application wherever possible.

1-ON-1 WITH AN EXPERT

Based on this initial assessment, we schedule a 1-on-1 session with our ESG experts to identify priority improvements.

ONE LAST CHECK-UP

On the platform, you'll find various policy templates to fill out and checklists that you must complete.

YOU'RE SAILING!

Once our experts confirm that everything is shipshape, you press the "Send" button and you're done!
