

# A PLATFORM, A MEETING, AN EXPERT, SOME POLICIES AND THEN YOU'RE SAILING

## FROM THE FIRST MEETING...

We set up a 1h kick-off meeting to discuss your company's motivations and any work you might already done in relation to B Corp.

## TO THE APIDAY PLATFORM

On the Apiday platform, you'll find a list of documents to share. Upload as many as you can find and we'll pre-fill your B Corp application wherever possible.

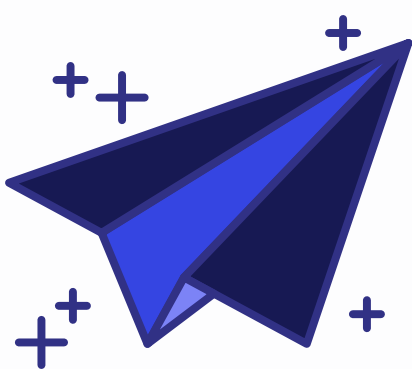

## 1-ON-1 WITH AN EXPERT

Based on this initial assessment, we schedule a 1-on-1 session with our ESG experts to identify priority improvements.

## ONE LAST CHECK-UP

On the platform, you'll find various policy templates to fill out and checklists that you must complete.

## YOU'RE SAILING!

Once our experts confirm that everything is shipshape, you press the "Send" button and you're done!
