

38. STEP BY STEP HAQQISLAM POUR LE DAYLAMI

CORVUS BELLI – MANUEL OPERATION BLACK WINDS BOX

Visage Oriental peau claire, Vêtement beige, Cuirs Marrons Clairs/Moyens, Vêtement Vert Haqqislam Kum rider

First, using an airbrush or a spray paint, prime the model applying a thin layer of black primer. Then, apply two thin layers of grey.

Highlight the face with VMC Sunny Skin Tone #70.845[*] + VMC Flat Yellow #70.953[*]. Add lights to the jacket, by adding VMC Ivory #70.918 to the base color, and also to the pants, by adding VMC Sunny Skin Tone #70.845[*] to its base color.

Paint the base color of each part of the model. Following that, apply several washes to get more definition. The colors used came from the Vallejo Model Color (VMC) and Vallejo Game Color (VGC) ranges. Those colors with an asterisk (*) can be found in the Model Color Set: Infinity Haqqislam.

Paint the armor with VMC Luftwaffe Cam Green #70.823[*], highlighting it with a mix of VMC Uniform Green #70.922[*] + VMC Ivory #70.918.

► Face:

- Base: VMC Sunny Skin Tone #70.845[*].
- Washes: VMC Cork Brown #70.843.

► Jacket:

- Base: VMC Dark Sand #70.847[*].
- Washes: VMC Flat Brown #70.983[*].

► Pants:

- Base: VMC Flat Brown #70.983[*].
- Washes: VMC Chocolate Brown #70.872.

Apply different tones of VMC Black #70.950[*] + VMC Medium Sea Grey #70.870[*] to the edges of the rifle and the sword. You can apply VMC Flat Red #70.957[*] to the cheeks and lips to get a wider variety of tones for the face. As a final touch, decorate the base of the model as you prefer and then paint it.
