3

Highlight the coattail and the pads adding VMC White #70.847 to VMC Deck Tan #70.986. In the same way, add VMC White #70.847 to VGC Turquoise #72.024 to highlight the clothes. You must also add it to VMC Blue Green #70.808 to highlight the armor, and to VGM Jade Green #72.026 for the green details.

4

Highlight the chest plate with successive layers of VGC Turquoise #72.024 and VMC White #70.847. Then, highlight the rifle applying successive layers of VMC Dark Grey #70.954 and VMC White #70.847.

5

Highlight the face with VMC Ivory #70.918. You can apply Cavalry Brown #70.982 to the cheeks and lips to get a wider variety of tones for the face. Then, highlight the hair with VMC Ice Yellow #70.858. As a final touch, decorate the base of the model as you prefer and then paint it.
