Mr Jones sometimes does the cleaning like (**comme**) normal people.

He always does the cooking.

Oliver always goes shopping around the world because he can teleport.

He never goes to the supermarket.

Mrs Jones always does the gardening and she always puts the shopping away (because she is very fast).

Amelia takes Morph out (because he needs exercise).

Attention !

→ Au présent simple, à la 3ème personne du singulier, on ajoute un -s au verbe dans les phrases affirmatives.

→ Do/does peut être un verbe = le verbe faire (comme dans l'expression *do the cleaning*) ou un auxiliaire (pour construire les questions et les phrases négatives).
